READ THIS BEFORE ORDERING

This list cancels all previous offers and its quotations are subject to stock being unsold on receipt of order.

Our terms are net 90 days. We allow a 5% cash discount when orders total \$10.00. On all accounts paid in thirty days we allow 2½%.

All offered f. o. b. Norfolk or Portsmouth. No charge for cases or packing.

All orders are sent by express unless otherwise specified. CUSTOMERS WISHING SMALL ORDERS SENT BY PARCEL POST SHOULD ALLOW A REASONABLE AMOUNT TO PAY POSTAGE.

REGARDING TIME OF DELIVERY:—Most of the stock herein listed is ready for delivery any time from November until May. Our weather conditions permit shipment at nearly all times but such is not always the case at point of delivery. We will be glad to have you state when you would prefer shipment, allowing us to use our judgment as to existing conditions at the time requested. To facilitate their execution and to insure getting the finest quality we ask that all orders be sent in as early as possible.

NON-WARRANTY.—We guarantee all our stocks to be absolutely true to name and description and will cheerfully replace any that prove otherwise. Our liability is limited to the original purchase price. WE GIVE NO GUARANTEE, expressed or implied, as to the quality or productiveness and will be in no way responsible for the crop. On these conditions only are goods sent out.

NO CLAIMS RECOGNIZED UNLESS MADE IMMEDIATELY UPON RECEIPT OF SHIPMENT.

GLADIOLUS

The ever increasing popularity of the Gladiolus is well merited when we consider the wonderful improvements being made from year to year in the color and size of the blooms. They are undoubtedly the most popular of summer-flowering bulbs. We can justly claim superiority for our Gladiolus bulbs—most of which are grown here in Virginia where the sandy loam soil and superb climatical conditions are ideal for their perfect development. We offer the following grand varieties:

AMERICA—Beautiful delicate pink. Acknowledged the most popular commercial variety in existence. We have a large stock of extra bulbs—all our own growing. We offer three sizes,	Doz.	100.	1000.

PEONIES

Whether grown for profit or pleasure the Peony ranks among the most popular flowers of today. The varieties, as offered herewith, far outrank in both size and color the Peonies of old. The concise list that we offer is the selection of over 250 varieties that we have tested and we can safely say that it comprises the best in the respective colors.

While we strongly recommend the planting of Peonies in the late fall and early winter months we are prepared to fill orders as late as March 15th.

At the prices annexed we send out strong divisions with from three to five eyes. Remember, we guarantee our Peonies to be true to name and will replace any that prove otherwise.

The EUROPEAN WAR

Although we do not anticipate that the present trouble in Europe will have much effect upon the deliveries of Bulbs from England, Holland and France, the condition makes it necessary that we accept all orders for Imported Bulbs subject to the delivery of these stocks.

Our customers, however, can place their orders with the assurance that we will do everything possible to effect delivery.

Yours Respectfully,

MISCELLANEOUS BULBS, ROOTS AND SHRUBS

BEGONIAS—TUBEROUS ROOTED—Few plants are better adapted to the decoration of window boxes, conservatories and semi-saded garden spots than these Begonias. They are very easy of culture, preferring a light soil in some semi-shaded position. They are now extensively used by florists as pot plants, their waxy-like flowers making a splendid contrast to the deep colored foliage. They are profuse bloomers. We offer the singles and doubles, in separate colors or mixes. Doz. 40c., 100 \$2.50, 1000 \$20.00.

CALLA GODFREY—Freest flowering of all Callas. Flowers just as large as Aethiopica and more of them. We offer a fine lot of stock in 3" pots that will make good blooming bulbs for next season. Price: .75 per doz., \$5.00 per 100, \$45.00 per 1000.

CALADIUM ESCULENTUM—The well known "Elephant's Ear." There is not a better subject for specimens on lawns or centre of flower beds. Has a rich tropical effect. Prices for extra large bulbs, 9-11 inches in circumference, each 15c., doz. \$1.25, 100 \$7.50.

COREOPSIS LANCEOLATA GRANDIFLORA—An extra fine strain of this useful, golden-yellow, hardy perennial. Strong field divisions. Doz. 25c., 100 \$1.50, 1000 \$10.00.

HYACINTHUS CANDICANS—A snow white summer flowering Hyacinth-shaped stalk growing from 3 to 4 ft. in height and surmounted with about 25 bell shaped flowers. Very effective. Each 5c., doz. 35c., 100 \$2.50.

HYDRANGEA PANICULATA GRANDIFLORA—Without doubt the most popular summer flowering shrub in cultivation. They are equally effective massed or as single specimens on lawns. The flowers are borne in the greatest profusion; dense, white panicles of pyramidal shape. Splendid as cut flowers. Well branched two year old bushes. Each 25c., doz. \$2.50, 100 \$18.00.

IRIS GERMANICA—The well known flag Iris. We offer two colors, tall purple or white. Doz. 45c., 100 \$3.00. A splendid mixture of semi-dwarf varieties. Doz. 35c., 100 \$2.00.

IRIS OCHROLEUCA—Very distinct and vigorous growing species, flowers pure white with bright orange. Blooms in May and prefers a damp location. A grand variety. Doz. 50c., 100 \$3.50.

IRIS ORIENTALIS—A very profuse blooming, graceful variety. Flowers are a rich, velvety-blue, shaded purple. A good doer. Doz. 20c., 100 \$1.00.

PRIVET (Armoir River)—The compact, glossy-green foliage of this hedge plant makes it the most useful subject for this purpose. We only list one size but can supply plants from 18" to 20 ft. Well branched, 2 to 4 year old plants that have been transplanted several times, 36 to 48" high. Doz. 75c., 100 \$5.00, 1000 \$35.00.

TRITOMA NOBLIS, (Red-Hot Poker)—These are prized not only for their beautiful, stately blossoms, but for their clean-looking foliage, which is hardy and evergreen; making the plant a helpful addition to the Herbaceous border all the year round. Each 20c., doz. \$2.00, 100 \$12.50.

TUBEROSES—The delicate beauty and delightful fragrance of these flowers have no equal. We offer a fine lot of bulbs that will produce strong flowers. Excelsior Pearl, tall double. Mammoth bulbs. Doz. 35c., 100 \$1.75, 1000 \$15.00. First size bulbs, doz. 25c., 100 \$1.50, 1000 \$10.00.

VIBURNUM PLICATUM (Japanese Snowball)—A very choice, hardy shrub. Profuse bloomer. Perfect balls of pure white flowers. Strong one year bushes, each 20c., doz. \$2.25, 100 \$15.00.

Be sure that your name is on our mailing list for a copy of our large fall catalog, which lists a complete line of Narcissus, Hyacinths, Tulips, Crocus and lots of other spring blooming bulbs.
